The most popular gun of a most popular manufacturer

BERETTA'S

SINGLE BARREL HAMMERLESS FOLDING SHOTGUN

PRODUCED BY
FABBRICA D'ARMI PIETRO BERETTA S.p.A. - BRESCIA - ITALY
ESTABLISHED IN 1680

This stylish single barrel shotgun gives you what modern industry at her best can offer you today: a really solid and well balanced weapon of high grade workmanship in all parts and reliable performance.

The socket jacket (monobloc) of special alloy steel forms a single piece with the locking hook, while the barrel is in steel d'Ougrée Marihaye. Free safety on the trigger.

Selected walnut stocks both straight or half pistol grip - Beautiful throughout finish in smooth black satin.

Ammunition: any regular properly loaded shell.

Each shotgun has undergone the 5th forced shooting test at the National Testing Board (Banco Nazionale di Prova) and is sold with an official certificate of guarantee.

"BERETTA" PATENTED SINGLE BARRE

Monobloc

Its weigt, between 3 ¾ and 6 lbs. according to gauge and barrel length, makes it handy and easy to carry.
